ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN
Somalia Shock-Responsive Safety Net for Human Capital Project

ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Federal Government of Somalia (Recipient) is planning to implement the Somalia Shock-Responsive Safety Net for Human Capital Project Additional Financing (the Project), through a steering committee chaired by the Office of the Prime Minister and comprising of Office of the President; Ministry of Labor & Social Affairs (MoLSA); the Ministry of Finance; the Ministry of Planning, Investment and Economic Development; Ministry of Humanitarian Affairs and Disaster Management; Ministry of Education; Ministry of Health; Ministry of Energy and Water Resources; National Economic Council; National Commission for Refugees and Federal Member States representatives to ensure effective consultations and collaboration. In addition, MoLSA has contracted the World Food Programme (WFP) and the United Nations Children’s Fund (UNICEF) to support the implementation of the parent project. The contract with WFP shall be amended to incorporate expanded responsibilities under the Project. The International Development Association (the Association) has agreed to provide financing for the Project.
2. The Federal Government of Somalia shall implement material measures and actions so that the Project is implemented in accordance with the World Bank Environmental and Social Standards (ESSs). This Environmental and Social Commitment Plan (ESCP) sets out the material measures and actions, any specific documents or plans, as well as the timing for each of these.
3. The Federal Government of Somalia shall also comply with the provisions of any other environmental and social documents required under the ESF and referred to in this ESCP, such as Social Management Plan and Stakeholder Engagement Plan, and Labor Management Procedures, and the timelines specified in those E&S documents.
4. The Federal Government of Somalia is responsible for compliance with all requirements of the ESCP even when implementation of specific measures and actions is conducted by other Ministries, agencies or units, such as those referenced in 1 above, member states governments or by contractors.
5. Implementation of the material measures and actions set out in this ESCP shall be monitored and reported to the Association by the Federal Government of Somalia, through MoLSA, as required by this ESCP and the conditions of the legal agreement. The Association will monitor and assess progress and completion of the material measures and actions throughout implementation of the Project.
6. As agreed by the Association and the Federal Government of Somalia, this ESCP may be revised from time to time during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to assessment of Project performance conducted under the ESCP itself. In such circumstances, the Federal Government of Somalia, through MoLSA, will agree to the changes with the Association and will update the ESCP to reflect such changes. Agreement on changes to the ESCP will be documented through the exchange of letters signed between the Association and MoLSA. MoLSA shall promptly disclose the updated ESCP.
7. Where Project changes, unforeseen circumstances, or Project performance result in changes to the risks and impacts during Project implementation, the Federal Government of Somalia shall provide additional funds, if needed, to implement actions and measures to address such risks and impacts.
