OCTOBER 2025

Health & Nutrition Co-responsibility Cash transfers

Beneficiary Health & Awareness Session at Deynille BFC

- Implementation is ongoing at the Baxnaano Facilitation Centres in Deynille and Garasbaaley districts of Banadir.
- The H&N CCT links cash transfers with participation in health and nutrition services.
- Within August, 8,418 pregnant and lactating women were enrolled, each receiving \$30 quarterly payments.
- Beneficiary mobilization is ongoing with door-to-door engagements being carried out to reach households effectively.

A beneficiary is enrolled in the SPDS.

Door to door mobilization at Garaasbaaley district

Whats next for the H&N CCT?

Scale up mobilization to reach targeted 16,500 households

Document lessons learned to guide scalability and improve service delivery
